Take a KODAK with you.

Make the most of the lure of the first soft days of spring. Picture the parks and the fields and the woods. Let Kodak be your companion on every out-of-door day—'twill give you a fuller joy in the day itself—and afterward the joy of possessing pictures of the places and people that *you* are interested in.

Let the Children Kodak

Enrich the home life with pictures of them and by them. There are opportunities at every moment of their busy little lives. They pose for you a hundred times a day and do it the more gracefully in that they do not know it. In every moment from "Good Morning, Papa," to "Now I lay me," they invite the camerist. And turn about is fair play. Let the Children Kodak. The mystery of photography appeals to them and with a simple little Brownie they soon learn to make good pictures.

There's no dark-room in photography by the Kodak system. Every step has been so simplified that the merest beginner can now make good pictures from the start. Kodak means photography with the bother left out.

Kodaks \$5.00 to \$100. Brownie Cameras (They work like Kodaks) \$1.00 to \$12.00

If it isn't an Eastman, it isn't a Kodak.

Anywhere—everywhere

KODAK

Indoors or out, on your travels or at home, Kodak is at your service. And it means photography with the bother left out.

Ask for the March number of "KODAKERY" the little magazine that we send free, for one year, to all present Kodak purchasers. It tells how, by very simple means, you can make charming and novel silhouettes with your Kodak. It will be sent without charge.

Holidays are Kodak days

EVERY winter outing, every home coming of the boys and girls, the Christmas and New Years festivities—in each of these are fascinating subjects for the Kodak—pictures that make fun in the taking and that to you will always prove a delight.

Picture taking, by daylight or flashlight, is simple by the Kodak method—and it's not expensive now-a-days.

Put Kodak on your Christmas list.

BROWNIES FOR CHRISTMAS

There's no more appropriate present for boy or girl than a Brownie Camera. There's both fun and education in their use, and any school child can make good pictures with them.

The Brownie Cameras are made on the Kodak idea; load in daylight with film cartridges, have good lenses and good shutters—are simple and efficient. No Dark Room necessary if you have a Brownie Developing Machine.

No. 1 Brownie Camera, \$12.50 with glasses \$15.00
No. 2 Brownie Camera, \$10.00 with glasses \$12.50
Brownie Developing Machine \$5.00
